Now we will count to twelve  
and we will all keep still.

अब हम बात एक गिनने  
और फिर सब शांत हो जाएंगे।

For once on the face of the Earth  
let's not speak in any language,  
let's stop for one second,  
and not move our arms so much.

एक बार इस पृथ्वी के धरातल पर  
हम किसी भी भाषा में न बोलें,  
आजों हम एक सेकेंड के लिए रुक जाएं,  
और अपनी बांहों को ज्यादा न हिलाएं।

It would be an exotic moment  
without rush, without engines,  
we would all be together  
in a sudden strangeness.

यह एक विचित्र क्षण होगा  
बिना किसी भीड़-भाड़ के, बिना इंजनों के शोर के,  
हम सब इकट्ठा हो जाएंगे  
एक आश्चर्यजनक अवसरपर में।

Fishermen in the cold sea  
would not harm whales  
and the man gathering salt  
would look at his hurt hands.

ठंडे समुद्र में मछुआरों  
कोल मछलियों को कोई हानि नहीं पहुंचाएंगे  
और इंसान नमक को इकट्ठा करते हुए  
अपने कटे-फटे हाथों की ओर देखेंगे।

Those who prepare green wars,  
wars with gas, wars with fire,  
victory with no survivors,  
would put on clean clothes  
and walk about with their brothers  
in the shade, doing nothing.

जो लोग हरे युद्धपूर्ण युद्धों का निर्धारण करते हैं,  
बैलों से युद्ध, अग्नि के साथ युद्ध करते हैं,  
ऐसी विजय प्राप्त करते हैं जिसमें कोई जीवित न बच पाए,  
वे साफ-सफा कपड़े पहनेंगे  
और अपने बंधुओं के साथ धूप में  
जायेंगे, कुछ भी न करते हुए।

What I want should not be confused  
with total inactivity.

Life is what it is about;

I want no truck with death.

If we were not so single-minded  
about keeping our lives moving,  
and for once could do nothing,

perhaps a huge silence  
might interrupt this sadness  
of never understanding ourselves  
and of threatening ourselves with death.

है जो जानें हैं जो पूरी तरह से जागीर नहीं बचाने लीये,  
 लोग जो है जिन्हें जो है जो जो है  
 (अच्छे लोग जो है जो है)  
 है पूरा है जो जो जागीर नहीं बचाने लीये,  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये

Perhaps the Earth can teach us  
 as when everything seems dead  
 and later proves to be alive.  
 Now I'll count up to twelve  
 and you keep quiet and I will go.

जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये  
 जो जो जो जो जागीर नहीं बचाने लीये

## EXERCISE

### THINK IT OUT

1. What will counting upto twelve and keeping still help us achieve?  
 Ans. By doing so, we will do quiet introspection of ours. It will help us to start our activities in a better way. It would also help in creating a feeling of mutual understanding among each other.
2. Do you think the poet advocates total inactivity and death?  
 Ans. No, I don't think the poet advocates total inactivity and death. He says that what he wants should not be confused with total inactivity. He refused to associate or deal with death. He very well knows that life is what it is about.
3. What is the sadness that the poet refers to in the poem?  
 Ans. The 'sadness' that the poet refers to in the poem is that human beings become single-minded about keeping their lives moving. They have no understanding and threaten themselves with death.
4. What symbol from Nature does the poet invoke to say that there can be life under apparent stillness?  
 Ans. The poet invokes the symbol of the earth. He says that in winter, the earth seems dead and still but in spring it proves alive. Thus, the poet proves that there can be life under apparent stillness.
5. What does the title of the poem suggest to you? What do you think the poem is about?  
 Ans. The title of the poem suggests the necessity and importance of quiet introspection. I think the poem is about understanding between people. It wants to create a feeling of mutual understanding among human beings.

### TRY THIS OUT

- Choose a quiet corner and keep still physically and mentally for about five minutes. Do you feel any change in your state of mind?
- Ans. Yes, I feel a great change in my mind if I choose a quiet corner and keep still physically and mentally for about five minutes. I come to know about the necessity of quiet introspection. It creates a feeling of mutual understanding among human beings. I develop a feeling of protecting our environment through afforestation and protecting wild life. I also realise the futility of the war.

# Keeping Quiet (Pablo Neruda)

## SUMMARY

"Keeping Quiet" is a beautiful poem written by Pablo Neruda with a hope of natural understanding among human beings. The poet starts his poem by asking entire humanity to count twelve and remain motionless. He appeals everyone to remain in peace and claims that this body posture will be very special and different as we have never experienced such a moment before.

He further proclaims the fishermen not to harm the whales, the salt gatherers will not hurt their hands, those who are busy destroying the nature will adopt a new approach towards life. There must not be any war, enemy or death. No one will harm anyone at this particular moment.

The poet supports the universal brotherhood of mankind. He appeals for human's self-realisation, their goal & achievements. Thus, the poet asks to remain still and count twelve with a hope of positivity.
